11.00	Kemble	Garden Praise at The Old Forge
11.00	Rodmarton	Morning Prayer
11.00	Somerford Keynes	Morning Prayer

VIEW FROM WOODSTOCK

St Kyneburga. I wonder if you know anything about this saint. I wonder if you can pronounce the name, let alone spell it. Living in the Diocese of Gloucester we should know about her. She lived in the eighth century and was a co-foundress and abbess of the first religious community which existed where our cathedral is now.

In 2013 it was decided that the Diocese would like to recognise those who have given much of their time in furthering the work of God in Gloucestershire – and so the Company of St Kyneburga was formed. The award may be given to both the laity and the clergy.

We already have two members of the Company of St Kyneburga in the benefice [maybe there are more but I only know of the two]. On 17 June, in the Cathedral another is to be added. I am honoured that I have been invited to become a member of the Company.

I would like to thank you all for the way you have supported me over the years, churchwardens, congregations and communities have always been there to support me in my work. I pray that I will be able to do so in the future.

With love and blessings.

Pepita

THAMESHEAD PEWSLETTER

Have you ever missed something you would like to have taken part in because you didn't hear it announced or see the Facebook post?

Thameshead Benefice is trying to improve how it communicates, so we have started an email newsletter for services, events and information from Thameshead, Gloucester Diocese and Sportily.

If you would like to receive this, please send the details in the box below to Juliette Jago at juliettek@btinternet.com.

Thameshead Churches will only use this information to send you emails about services, events and information from Thameshead, Sportily and Gloucester Diocese.

If you would be like to stop receiving the Pewsletter emails at any time, please contact: office@thamesheadchurches.org.uk

I would like to receive Thameshead Pewsletter emails;

KEMBLE & DISTRICT RBLWS

The branch Standards of the RBL and Women's section were invited to attend the VE80 afternoon ceremony at the Cotswold District offices to 'raise the flag' in May. They will be on parade again for Armed Forces during the week commencing 16 June.

It is important to remember and acknowledge those that serve and Kemble and District Standard Bearers are honoured to do so.

The Cirencester branch of the RBL have arranged a coach outing to the National Memorial Arboretum for 2 August. Further information awaited. I am taking the names of anyone interested to pass onto their secretary.

The Tavern and Kemble RBLWS are planning an event to mark VJ80 over the weekend of 16/17 August. Look out for details.

Pat Ayres Chair W/S

COATES CINEMA CLUB

A new season of films for 2025 with screenings on 2nd Thursday of each month.

Sapperton Church of England Primary School

It has been a very busy few weeks at Sapperton Primary School. We celebrated the 80th Anniversary of VE Day with a street party in our beautiful playground setting. Children baked cakes, made special hats and learnt about what happened 80 years ago. Our Year 5s enjoyed a morning out at an Ultimate Frisbee competition and Year 6s had lots of fun at a post- SATs Retreat.

Our School Council are monitoring speed in the village with the ultimate aim of reducing the speed limit. With the community and local police officers supporting us in our campaign, we feel confident we can make a real difference.

To nurture faith; to inspire success

NEWS FROM RODMARTON, TARLTON, CULKERTON AND HAZLETON

RODMARTON, TARLTON, CULKERTON AND HAZLETON SERVICES

These are listed at the front of the Watershed, but please note especially:

- Thursday 5 June at 9pm - Benefice Compline at St Osmund's, Tarlton (as part of *Thy Kingdom Come* Prayer Walks and Compline at each parish in the Benefice between Ascension Day and Pentecost)
- Sunday 8 June at 11am - Whitsun Holy Communion, Rodmarton, led by Rev Pepita Walker
- Sunday 29 June at 11am - St Peter's Patronal Festival Holy Communion, Rodmarton, led by Fr Julian Wilson

NEWS AND EVENTS

Big Summer Lunch and Fun Dog Show Sunday 1 June.

Rodmarton Village Hall 12noon to 4pm Please join us for a delicious Summer Lunch, with festivities, food and friends. Folk Music with the Avening Brass Band, Pimm's and Wine Bar, Big Pudding and Cake Auction, Floral Table Decoration Competition, Fun Dog Agility Course, Tug of War and traditional Children's Games. For enquiries and tickets: 07974 422272 or 07896 311924.

ST OSMUND'S TARLTON URGENTLY NEEDS YOUR HELP!

St Osmund's is open daily from 10am – 4pm and it is there for all as a welcome haven of peace to use for prayer or to visit and enjoy its calm atmosphere and the beautiful stained-glass windows by Tom Denny. It is much loved by visitors and villagers alike. It also holds a monthly Holy Communion service and other special services throughout the year including Christingle, Christmas Eve Candlelit Carol Service, the Feast of the Kings (Epiphany), Easter Eve Lighting the Easter Candle, the Rogation service and procession in May and Harvest Festival.

A few fresh flowers make all the difference to its feeling cherished and welcoming, not just for services, but also for visitors at any time. If you wish to help keep our beautiful chapel-of-ease decorated with fresh flowers, and can offer occasional help, or join our flower rota, it would be greatly appreciated. Please call Jane on 01285 770401. Thank you.

Food Bank collection points are in both St Osmund's Tarlton and St Peter's Rodmarton.

RODMARTON PRIMARY

UPDATE

Hello again from Rodmarton School. It may have been a very short term but it's certainly been a busy one!

May saw Rodmarton School pupils take place in many sporting events. Children from Years 3 and 4 headed to Kingshill School in Cirencester to take part in Mini-Olympics. There were a wide range of activities to try, including handball, tennis, Boccia, kurling, badminton and table tennis to name but a few. The children had great fun and Rodmarton came away with the certificate for the school demonstrating the most determination. Years 3 and 4 were back at Kingshill later in the month to try their hand (or should that be foot) at kick rounders! Children in Year 5 and 6 were also at Kingshill School for a competitive netball tournament, with many local schools represented. Rodmarton showed amazing talent and courage against the opposition and had a great time as well.

Both Acorn and Sapling class headed to Bristol for a joint science trip to the Bristol Aquarium and We The Curious. Acorn class had fun learning about life in the oceans across our planet; a particular highlight being the opportunity to feed the fish. Whilst Sapling class had a fantastic time exploring We The Curious, experimenting with light, bubbles and rainbows before setting off on a space adventure in the 3D planetarium. Thanks to the Friends of Rodmarton PTA for funding this excellent trip.

Rodmarton School excelled again in the Gloucestershire Young Photographer of the Year competition. Congratulations to all that entered and with special mention to Charlotte, Freddie and Max, whose entries were of such high quality they were selected to feature in the organiser's audio-visual presentation.

Our Year 6 pupils have been working hard at their SATs this month and celebrated with a well-deserved meal out at Pizza Express. Attention is now on the much-anticipated Oak class end of year performance. Watch this space for more news on the chosen show and where you can catch it!

Heading into the summer term we have many events lined up and hope the community can join us. In addition to the end of year show, plans are afoot for a summer gathering on Sunday 13 July – do save the date!

KEMBLE AND EWEN WOMEN'S INSTITUTE

All welcome to come along to hear Nasim Desai speak about Zanzibar and the 1964 Revolution on Thursday 19 June at 3pm in The Tavern pub function room Kemble.

Nasim is a very popular speaker and is no stranger to our institute. Delicious cake and hot drinks. A good raffle too. Visitors pay £5.

GARDENING TIPS FOR JUNE

The essential state of being is to enjoy our summer whatever it may bring weatherwise; so far this seems to be the year of exceeding previous weather records. The extraordinary dry and hot weather in May took us into June, garden wise a month early. Roots really matter in these conditions; bulbous and deep-rooted established flora revelled in the extra sunlight.

Augment your garden enjoyment options. A few tweaks in plant choices can make such a difference. For sunny days sit or dine in amongst the flowers in sun and semi shade, encircle a favourite place with lots of seasonal colour, tall, short, in pots or other containers. For really hot weather, a shade garden under a mature tree is a delight, with mown lawn and tall ferns. Leaves in a multitude of green colours and different shapes adds to the cooling effect. For rainy days looking from comfy chairs through windows, check your views, each window can have a different colour theme. I love my greenhouse for cool or wet days, a bistro set, table and two chairs inside doubles as potting table. Large pots grow Pineapple Guava, Loquat, shrubby Salvia, and Cobaea scandens alba. Mexican Daisy, Erigeron karvinskianus informally self-seeds in the paved floor.

Bountiful harvests this month, rewards for earlier sowings, broad beans, lettuce, radish, beetroot, carrots, summer spinach, and peas.

'Sowing in dust grow they must' continued to surprise during May, although given a helpful water when sowing, it was miraculous when broad rows of carrot seedlings appeared. Low tunnels of fine mesh do help to retain some moisture, thankfully received by seedlings and almost imperceptible to humans. During intense heat and sunlight light shade from the mesh is also beneficial for both germinating seedlings and transplanted young plants. Some plants revel in heat; sweetcorn, melons and zinnias. Large sections of tomato plants inadvertently broken or as cuttings can be easily rooted in water and replanted.

Cooler and moister soil broadens the list of seeds to sow; salad crops, lettuce, salad leaf mixes, cucumbers, radish, spring onions, chicory, endive, autumn broad beans, French beans, beetroot, carrots, Florence fennel, kale, broccoli, turnips and Swiss chard. Flowers to sow now; hellebores, sweet William, and wallflowers for next year.

Summer pruning of fruit trees focuses on shaping, limiting growth and for apples shortening leaders on spur fruiting types. Now is the time to prune all the stone fruit trees, plums, greengages, peach and apricots, avoiding fruit of course. After summer flowering shrubs have finished

OATES NOTES FROM CULKERTON (cont)

in bloom, remove about one third of the old wood to encourage new shoots for next years flowers, and give trees and shrubs a liquid feed of 'Tomorite' or home-made nettle and comfrey fertilizer, diluted 1:10.

Weeding is an important task now, remember 'one year's weeding saves seven years seeding'. Learn to recognise weed seedlings from an early stage when they are much easier to remove. Mulches prevent weeds germinating and keeping soil moist.

Sally Oates

SPRING OF 2025, EULOGY AND REALITY

We seem to be heading for our sunniest spring ever. That should be a cause for great celebration, but our farmers and growers desperately need rain and much of our wildlife does too, not to mention the gardens. Potatoes may be rather small and expensive this year – and imported fruit too.

For the record, we had 444mm (17.5"! - ed) of rain during a preposterously wet autumn and 286mm (11"! - ed) during the soggy winter months. That means that groundwater and reservoir levels are reasonably high. Then the great plumber in the sky switched the tap off, on 27 February to be precise. Since then, 6mm of rain fell during March, and 21mm during April (including 15mm on the night of the 22nd). None fell between the early hours of St George's Day and the evening of 11 May, when we had the lightest of showers (3mm). Then another big and bold anticyclone developed.

This has been the most wonderful spring for blossom. First, the deepest Blackthorn 'snow'. Male willows ('Pussy Willow') flamed golden, then in early May the female trees cast myriad seeds to drift on the breeze (this coincided with dandelion seeding time). Fruit trees were adorned with blossom, especially the apples – though rain is needed to swell the fruit, and to prevent the trees from dropping the crop. Magnolias, for once, flowered long and well, unblemished by frost. The Horse Chestnuts have been magnificent, bearing candelabras of white or red blossom; and Hawthorn time arrived early - in early May.

Your resident entomologist would like to be able to report that all this blossom was well tendered by pollinating insects, buzzing with a contentment of bees and hoverflies; but numbers of most pollinating insects have been relatively low, due to the knock-on impact of last year's insect *annus horribilis*. Much has depended on the presence and absence of hive bees. Spring insects have, though, lived

OATES NOTES FROM CULKERTON (cont)

unusually long, having not been blasted away by pulses of foul and abusive weather. Orange Tip and Brimstone butterflies have wandered far and wide.

This is likely to be the Summer of the Cabbage White. Net those cabbages! Numbers of Large and Small Whites were unusually high during late April and early May. Last summer clobbered the parasitic wasps that regulate their numbers. In rural districts, they breed mainly on Brassica (cabbage family) crops sown along field margins as wild bird and/or pheasant feed strips. They can also cross The Channel as migrants and may be massing in France.

Watch this space...

Matthew Oates

ADVERTISING IN THE WATERSHED

If you wish to advertise in our parish magazine please e-mail Watershed magazine at watershedmag@gmail.com. Advert a third of a page cost £15 for a single issue or £60 for 6 months. Adverts half a page cost £23 for a single issue or £90 for 6 months. The magazine is published 10 times every year; July/August and December/January are joint editions. Avoid using PDF files as they do not reproduce well; Word documents and picture files are best. Please keep formatting simple to allow me to modify if necessary.

Copy for next month's magazine to be with me by the 12th of the preceding month.

GET YOUR WATERSHED BY EMAIL

If you would like to receive a copy of the parish magazine by email I am very happy to add you to my list of those who do. This may not replace your delivered copy but you would get it earlier and with some colour! Just let me know by email at watershedmag@gmail.com

CLOSING DATE FOR THE MAGAZINE

Contributions should be sent by e-mail to the Watershed magazine at watershedmag@gmail.com. Articles should be in Arial font at 11 point with **formatting kept as simple as possible**. The editor reserves the right to edit any articles. **Articles should be submitted by the 12th of the preceding month for inclusion in the next month's issue.**

Making your water soft, shouldn't be hard

Soft water helps prevent the build up of limescale, so preserving the longevity and productivity of your appliances.

When these function correctly the results not only extend to your wallet but the hair and skin of you and your loved ones will benefit too.

Find out if you live in a hard water area or request a **free water testing kit** by visiting our website:

www.indwatersofteners.co.uk
